GREEN
Green is so important
Because we see it all around
It's up very high on the trees
And on the grass that is on the ground.

Green is the colour of
The plants that grow in the south
It's also the colour of a Brussels sprout
That I refuse to put in my mouth

Green is on the traffic light
When the cars can go
All the green disappears
When it starts to snow

The most important thing about the colour green
Is because of my mother
NO she is not green

It's her favourite colour.

WIND ON THE HILL
No one can tell me,
Nobody knows,
Where the wind comes from,
Where the wind goes.

It's flying from somewhere
As fast as it can,
I couldn't keep up with it,
Not if I ran.

But if I stopped holding
The string of my kite,
It would blow with the wind
For a day and a night.

And then when I found it,
Wherever it blew,
I should know that the wind
Had been going there too.

So then I could tell them
Where the wind goes…
But where the wind comes from
Nobody knows.

Based in Runswick, we hand make and bake a range of artisan breads using traditional methods and our unique Runswick sourdough starter.

In our delicious bread we use local, organic, stoneground, unbleached flour, water and very little yeast or sourdough starter and that’s it, the main ingredient we use is time.

Check us out on Facebook on beechgrovebakery@hotoven1 where you can place your order, alternatively you can:

Call us on: 01947 840884
Email: beechgrovebakery@gmail.com

Our bread is made to order so please give 24 hours notice for bloomers and boules and 36 hours notice for sourdough.
